The 50% registration fee is not available for refund. No exceptions apply, but all paid registrants will still receive the materials covered by the registration fee regardless of attendance. If the International Disaster Reduction Institute (IDRI) cancels the event due to circumstances beyond IDRI's reasonable control including but not limited to acts of God, government emergency, labour strikes, acts of war, and/or unavailability of the event facility, IDRI will refund to trainee his/her paid registration fee minus 50% of the event costs acquired by IDRI. This refund will be the trainees' exclusive remedy and IDRIs' only liability for cancellation of the event for reasons described above.

# Visa, Travel, Hotel Reservations and Meal Tickets

#### Visa Information

International trainees who wish to enter Canada may need to first obtain a visa. Typically, those attending the training program will need to obtain a non-immigrant visa for a temporal stay. The visitor visa is a non-immigrant visa for persons desiring to enter Canada for business or pleasure. Please visit the Citizenship and Immigration Canada website for more information.

A letter of invitation does NOT guarantee the issuance of a visa. The decision to issue a visa is within the sole judgment of your local Embassy or Consulate. However, if you submit the following documents to the Embassy/Consulate, it would very likely facilitate the issuance of a visa:

An invitation letter issued by our training program

A notice from the hotel or residence that you have reserved hotel rooms (if the visa is not granted, you can cancel the reservation without charges)

A notice from our training program that you have paid the registration fee (if the visa is not granted, you can cancel the registration and receive a partial refund)

A notice from a travel agency that you have booked two-way tickets (Please check to be sure that if the Visa is not granted, you may cancel the tickets without penalty.)

#### Travel.

Most people coming to Sydney arrive through the Halifax Stanfield International Airport (YHZ). The Halifax Stanfield International Airport is a bit far from Sydney, the location of training facility. The flight distance from Sydney Airport to YHZ is 190 miles (306 km) and about 395 miles (630 km) by road to the hotel located in Sydney, Nova Scotia, Canada. Trainees arriving YHZ on the weekend (only on Saturday) before training start week would be picked up from the airport by Doug Copp or otherwise you have to take a connecting flight or airport shuttle to Sydney based on availability. If you have any questions on transportation from Halifax, please contact us at <a href="fche8@yahoo.com">ffche8@yahoo.com</a>.

#### **Hotel Reservations**

You can reserve rooms at the Days Inn Hotel at the reduced rate of CAD\$ 86.95/night/room (single or double bed). To reserve a room at the Days Inn, inform us as early as possible

otherwise you will have to pay the standard rate of Cad\$ 140/night/room. If you have any questions on the reservations, please contact us at <a href="fche8@yahoo.com">ffche8@yahoo.com</a>.

#### Meal Tickets

A restaurant located in the Days Inn Hotel is offering meal tickets at a much reduced rate. With these tickets you are entitled for 3 meals per day for 7 days at a reduced cost of CAD\$ 260.

# Special Information:

Our training programs are based upon actual experiences working at the world's major disasters for 25 years. You will find that our programs are effective, real and practical. Your expertise and abilities to achieve goals will be greatly enhanced. The International Training Program on Disaster Reduction (ITPDR2010) is the only program endorsed by the American Rescue Team International (ARTI) and shall be offered by the International Disaster Reduction Institute. The training program would be based on real life disaster events in and around the world. For more information, go to <a href="https://www.amerrescue.org/">https://www.amerrescue.org/</a> and view life videos.
